AI Pro-STRUTS™

Features and Benefits

- Quicker service bay turnaround time for spring/strut jobs with no need for use of a spring compressor with "bolt on" capability
- Replacing complete assembly allows other worn components to be addressed as well
- Fuchs oil insures longer seal life and consistent viscosity over a wide range of temperatures
- Coil spring material 55CrSi for lasting durability
- Reinforced welded brackets designed to withstand harsh road conditions
- Shim valving and internal components are designed to match OE ride and performance

Product Coverage

- 117 new SKUs arriving in 2018

Warranty

- Limited lifetime
